

SAFFIRE'S GM – JUSTIN KING

Saffire Freycinet's General Manager Justin King has spent his career refining his experience in luxury hotels around the world.

Starting with roles with the Morgans Hotel Group in London, Justin rapidly progressed to management roles in Qatar and Australia. He then became General Manager of Blue Lagoon Beach Resort in Fiji, where the property won the Fijian Prime Minister's Tourism Exporter of the Year Award in 2011 and the Trip Advisor Traveller's Choice Award for 2012.

His return to Australia to manage Saffire Freycinet is a dream come true.

"I am delighted to be welcomed as part of the Saffire team. Since opening, the property has become synonymous with genuine and luxurious service, and I am honoured to be part of such a beautiful and unique property," Justin said.
