COOK'S TOUR

Tasmania's commitment to farm-to-table principles has earned it a spot on the world's culinary map. On the eastern coast, at the just-opened **Saffire** (Coles Bay; 61-3/6221-1856; *saffire-freycinet.com.au*; doubles from \$1,550, all-inclusive), Aussie chef Hugh Whitehouse is pushing the envelope with food-immersion programs that take you directly to the source. Tag along with him to the nearby Freycinet Marine Farm to harvest Pacific oysters or pick local mushrooms. Also on offer: a private wine tasting at the Derwent Estate and a hands-on rock lobster cooking class right in your glass-walled suite overlooking the ocean. — ANTHONY DENNIS
