DAY 1

EVENING

Join us for dinner at your leisure at Palate Restaurant, which is open exclusively to guests and has a reputation as one of Australia's most revered fine dining restaurants. Daily multi-course tasting menus matched with outstanding local wines are designed around what is available fresh from the water or paddock that day. Admire the views of Great Oyster Bay and The Hazards mountains through the floor-to-ceiling windows, then let Palate's expert team guide you through the evening's tasting menu, or create your own à la carte culinary journey. Most wine and beverages are included; seek the advice of the sommelier to recommend a lively Tasmanian riesling or a textural fumé blanc to pair with today's seafood starter like smoked fish rillette with brioche and wasabi cream, or a rich cabernet sauvignon or luscious pinot noir to match with bold dishes like Cape Grim short rib with onion butter and zucchini pickle.

End the evening with a nightcap in the lounge, whether it be a digestif, freshly ground coffee, or a nip of one of Tasmania's famous single-malt whiskies. Or, return to your suite for a cup of soothing herbal 'snooze blend' loose-leaf tea, known for its calming properties that aid a deep and blissful night's sleep.

DAY 2

MORNING

Start the day with a coffee in bed or on your private deck, whilst admiring the morning light bathing The Hazards mountain range and the vast expanse of Great Oyster Bay. Take in the lay of the land with an early morning walk down to Muirs Beach; keep an eye out for potoroos in the surrounding bushland, and an ear out for the morning calls of native birdlife. Tip: turn right as you step onto the beach for a picture-perfect photo spot framed by vibrant orange rocks, white sand and blue water.

Enjoy breakfast at Palate Restaurant at your leisure. Whether you're craving something sweet or savoury, the breakfast choices all feature fresh, local ingredients - a perfect prelude to the experiences planned for later in the morning.

10:00 – 12:00

Signature experience: Beekeeping

Experience the wonder of Tasmanian nature at its most raw, captivating, and sweet. Tasmanian honey production is on the rise, with some local apiaries drawing international attention for their decadent and golden produce.

This honey forms part of an unforgettable culinary encounter at Saffire, where you'll learn the secrets behind the sweetness which draws inspiration from the surrounding environment. Don a full-body apiarist suit and venture into the onsite Saffire apiary. Under the safe guidance of Saffire Horticulturalist, Rob 'The Bee Man' Barker, you'll experience the thrill of extracting and tasting fresh honeycomb, and witness the breathtaking natural phenomenon of honey being made in front of your eyes by Tasmanian bees.

DAY 2

AFTERNOON

Lunch is served at your leisure in the lounge. Join us for a seasonal spread of Tasmania's finest produce, complemented by an à la carte option from land and sea.

14:00 – 16:00

Signature experience: Freycinet Oyster Farm

In the spirit of today's culinary theme, the freshest oysters are on the menu for this afternoon. Meet your guide and be whisked to the nearby Freycinet Marine Farm, set amid the breathtaking backdrop of Freycinet National Park. Don a pair of oversized waders and shuffle waist-deep into the estuary to explore this working oyster farm, where you'll gain a deeper understanding of the meticulous processes involved in cultivating and harvesting these treasures of the sea. Learn about marine ecology and the vital role oysters play in maintaining the delicate balance of this unique ecosystem. Then, watch as fresh oysters are shucked before your very eyes, ready for you to wash down with a glass of Tasmanian sparkling. Set upon an immersed, white-clothed table, this is a true farm-to-table experience in the most spectacular of settings.

16:00 – 17:00

Signature experience: Mixology Masterclass

Make your way to the lounge and settle in to marvel at the dramatic ocean and mountain views. You're here for a mixology masterclass, where Saffire's expert bartenders will show you how to muddle, stir and shake up a beautiful range of cocktails – both classic and with a twist – using the day's featured Tasmanian spirit. Discover the secret local ingredients and techniques behind some of Saffire's exclusive cocktail innovations, which you'll taste nowhere else on earth.

After the masterclass, return to your suite to savour an apéritif either on your private deck overlooking The Hazards, or have a picnic rug delivered to your room and stroll down to Muirs Beach to enjoy a pre-dinner drink with your toes in the sand.

EVENING

Enjoy the fire in the lounge with a pre-dinner cocktail before making your way in for dinner at Palate Restaurant.

DAY 3

MORNING

Relish a lazy sleep-in this morning and take breakfast at Palate Restaurant when you're ready. Fuel up with a healthy spread of coconut yoghurt labneh with Saffire honey and seasonal fresh fruit, perhaps paired with a slice of freshly baked banana bread with seed and nut butter and the juice of the day. You'll need plenty of energy for this morning's activities!

09:30 – 12:00

Signature experience: Wineglass Bay Lookout Walk

A trip to Saffire Freycinet wouldn't be complete without witnessing the beauty of the famous Wineglass Bay. Lace up your comfortable shoes and meet your Saffire guide, who'll transfer you to the start point of the Wineglass Bay Lookout Walk. Beginning at the entrance to Freycinet National Park, this moderate trail is suitable for most fitness levels, despite its steep ascent, and can be enjoyed at your own pace. Use the binoculars to spot native birds and wildlife like white-bellied sea eagles and yellow-tailed black cockatoos, along with wallabies, echidnas and wombats.

You'll be guided and along the way treated to panoramic views of the pristine coastline, rugged cliffs, and lush forests as you breathe in the pure Tasmanian air. With each step, the mesmerising beauty of Wineglass Bay unveils itself; the turquoise waters glisten under the sun, while the pure white sand forms a perfect crescent, resembling a delicate wineglass. The view is breathtaking, offering a moment of serenity and wonder that will stay with you forever.

DAY 3

AFTERNOON

Return to your suite to freshen up, then head into the lounge for lunch. There's no time pressure today, so enjoy a long, leisurely lunch and be sure to save room for a delightful dessert.

This afternoon is yours to do with as you please. Take a stroll down to Muirs Beach and walk the two-kilometre-long stretch of sand, keeping an eye out for marine treasures washed up on the shore. Or, paddle the length of the beach on a kayak or stand-up-paddle board, which you'll find tucked into the corner at the northern end of the beach.

Upon returning to your room, take a relaxing bath, or an afternoon siesta in your plush king bed. Alternatively, read a book outside on your private deck, surrounded by the melodic sound of native birdsong in the coastal vegetation that surrounds your suite.

16:30 – 18:00

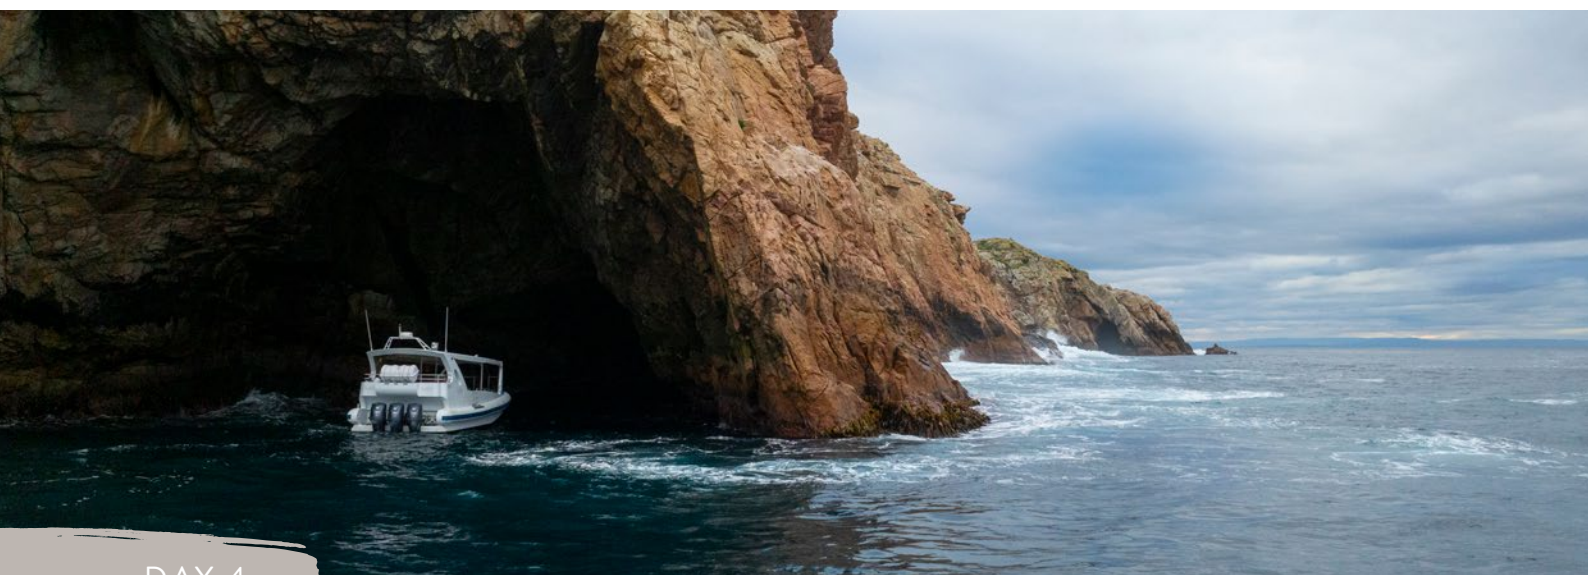

Signature experience: Tasmanian Devil

It's time to come face to face with Tasmania's most iconic animal: the Tasmanian devil, a carnivorous native marsupial. Saffire Freycinet has created a free-range enclosure – a retirement home, of sorts – to accommodate mature devils that have been part of the state's breeding program. Meet your guide and take the short walk up to the onsite enclosure, ready for your up-close and personal encounter with these remarkable creatures. Meet the resident devils and observe them as they feed and interact. Your knowledgeable guide will share fascinating insights into the lives and behaviours of these animals, and explain how the Tasmanian devil is, unfortunately, facing the threat of extinction due to a contagious facial tumour disease. Conservation efforts are crucial, and by partaking in this experience, you are actively contributing to the survival of this incredible species.

EVENING

Kick off with sunset canapés in the lounge, where you'll have the chance to meet and mingle with the property's guest services managers. Head into Palate Restaurant for dinner at your leisure.

Spend your last evening in the lounge with a nightcap in hand, perusing the fascinating selection of books and maps from the library area. Alternatively, challenge your travel companion to a game of chess or Scrabble.

DAY 4

MORNING

Enjoy a final sunrise from the comfort of your cosy bed, with a tea or coffee in hand. Take a leisurely breakfast at Palate Restaurant in your own time. Your luggage will be collected from your room and stored until you return from the cruise.

09:00 – 12:30

Touring experience: Wildlife & Wilderness Cruise

Discover the best of the Freycinet Peninsula onboard our Wildlife & Wilderness Cruise. This half-day experience on Saffire Freycinet's private vessel is the ultimate way to explore the Freycinet National Park, with a thrilling journey past everchanging scenery featuring craggy granite sea cliffs and caves, quiet coves fringed by powdery white-sand beaches, remote rocky islands and the vast rugged mountains towering in the backdrop.

This is not a cruise to get from A to B; it's a journey packed with moments that will take your breath away.

Prepare for close-up interactions with marine mammals including playful dolphins and inquisitive fur seals whose colonies thrive on the rugged shores of the National Park's islands. Majestic seabirds like white-bellied sea eagles and albatross can often be spotted soaring in the skies above or nesting in the treetops. You may be lucky enough to witness the sight of graceful bull rays cruising through the clear waters, or in winter and spring, humpback whales on their annual migration.

Whether you're a nature enthusiast, a wildlife lover, or simply seeking an adventure in one of the world's most spectacular locations, our Wildlife & Wilderness Cruise is an experience that will stay with you forever.
