THREE NIGHT ITINERARY

DAY 1

ARRIVAL AND WELCOME

As you arrive to the private coastal sanctuary that is Saffire Freycinet, a sense of calm washes over you. Let this feeling linger as you're led through the doors of the main lodge which reveal the breathtaking sight of The Hazards mountain range and Great Oyster Bay. Your bags are taken care of; all you need to do is admire the view, with a refreshing welcome drink in hand. A Saffire guest services manager will soon show you to your suite and let you settle in. This elegant space - which offers the highest standard of luxury and privacy - will be your sanctuary for the next three days: beautifully appointed, featuring Tasmanian timbers and design touches with alluring views. Each suite features a double head rain shower and generously sized bath, and an exclusive outdoor deck. In the Private Pavilions, a plunge pool takes centre stage in the extended courtyard.

AFTERNOON

14:00 - 16:30

Spa Saffire

Begin your wellness journey at Saffire Freycinet with a relaxing Signature Package at Spa Saffire, pre-arranged ahead of your arrival. Nestled within the heart of the lodge, Spa Saffire draws on the natural elements to revive and

restore you, using luxurious skin and body care products like La Gaia – an Australian company focusing on holistic health and beauty care. Start with a personal consultation to establish which treatments and therapies best reflect your personal needs and preferences, then let life's stresses melt away with a therapeutic mineral and milk soak in the bespoke marble bath. Pair a blissful tension-relieving massage from a highly skilled therapist with a full-body exfoliation using organic salt scrub, or relish the soothing sensation of a hot stone massage followed by a deeply hydrating facial. Spa packages can be tailored to individuals or couples, depending on the treatment. Leave Spa Saffire feeling both transformed and at ease, and allow this mindset to permeate the rest of your stay. Note: This experience incurs an additional cost for guests.

DAY 1

EVENING

Palate Restaurant at Saffire Freycinet is open exclusively to guests and has a reputation as one of Australia's most revered fine dining restaurants. Menus change daily, designed around what is available fresh from the water or paddock. A focus on fresh, high-quality ingredients is key, with Executive Chef Toby Raley's menu using the best of Tasmania's seasonal ingredients and locally grown produce. Once seated at your table, take a moment to admire the views of Great Oyster Bay and the Hazards mountains at dusk, then let Palate's expert team guide you through the evening's tasting menu. Or, create your own à la carte culinary journey featuring ingredients like fresh seafood straight off the local boats, succulent grass-fed beef and lamb, full-flavoured game meats, fresh herbs and spices and seasonal fruit and vegetables. Choose to match your meal with outstanding local wines or request a non-alcoholic beverage pairing. After dinner, enjoy a nightcap in the lounge, or retire to your room for a cup of soothing herbal 'snooze blend' loose-leaf tea, known for its calming properties that aid a deep and blissful night's sleep.

DAY 2

MORNING

Start the day with a cup of tea or coffee in-room; best enjoyed snuggled up in bed as you watch the sun light up the mountains through your floor-to-ceiling windows. Your suite's 'Art of Tea' selection includes an array of choices like the bespoke organic Saffire Rose Earl Grey - blended exclusively for Saffire Freycinet - featuring a black backdrop of earl grey highlighted with rose petals and a magical sprinkle of blue cornflowers, inspired by the everchanging hues of The Hazards mountains range.

If you like to move your body before breakfast, request for a yoga mat to be delivered to your room and salute the sun on your private deck. Or, take a gentle morning stroll or jog along Muirs Beach. Fuel your body with breakfast at Palate Restaurant ahead of this morning's walk, with dishes like coconut yoghurt labneh with fresh seasonal fruits and wild hives honey, or Four Mile mushrooms with whipped fetta, thyme and poached eggs on sourdough paired with a freshly squeezed green juice.

09:30 – 12:00

Signature experience: Wineglass Bay Lookout Walk

Lace up your comfortable shoes and meet your Saffire guide, who'll transfer you to the start point of the famous Wineglass Bay Lookout Walk. Beginning at the entrance to Freycinet National Park, this moderate trail is suitable for most fitness levels, and can be enjoyed at your own pace. Along the way, you'll be treated to panoramic views of the pristine coastline, rugged cliffs, and lush forests, and serenaded by the sounds of native birds as you breathe in the pure Tasmanian air. With each step, the mesmerising beauty of Wineglass Bay unveils itself; the turquoise waters glisten under the sun, while the pure white sand forms a perfect crescent, resembling a delicate wineglass. The view is breathtaking, offering a moment of serenity and wonder that will stay with you forever.

DAY 2

AFTERNOON

Return to your room to refresh if you wish, then enjoy lunch at your leisure in the lounge. A more relaxed affair than dinner; join us for a seasonal spread of Tasmania's finest produce, complemented by an à la carte option from land and sea.

This afternoon is yours to spend as you please. Book into Spa Saffire for a relaxing post-hike Saffire Recovery massage, designed to relieve tired and sore muscles with the magic of magnesium, kunzea and zen soothing balm to penetrate deep into the muscle fibres. Or, wander down to Muirs Beach and take one of Saffire's kayaks or stand-up paddleboards for a self-guided paddle along the shores of Great Oyster Bay. It's an energising way to traverse the length of the beach, offering views of Saffire Freycinet on one side and The Hazards mountains on the other. If you'd prefer, spend some time perusing the fascinating selection of books and maps in the library area. Alternatively, stimulate your mind with a challenging game of chess or Scrabble.

16:00 – 17:00

Signature experience: Mixology Masterclass

Head to the lounge, settle in and marvel at the dramatic ocean and mountain views. You're here for a mixology masterclass with a twist, where Saffire's expert bartenders will show you how to muddle, stir and shake up a beautiful range of signature cocktails featuring a premium Tasmanian spirit. If you'd prefer a mocktail, let the team know in advance and the masters will use secret local ingredients and techniques to create a Saffire exclusive mocktail innovation.
