WELCOME

Tucked gently within Saffire's embrace, our signature spa is a haven of restoration for both mind and body.

Begin your journey with a personalised consultation before we welcome you into a serene space of calm and renewal.

Our highly skilled therapists specialise in some of the world's leading therapeutic techniques to guide you toward your highest health and wellbeing.

The world's finest skin and body care products have been carefully curated to deliver a deeply rejuvenating and luxurious experience.

At the heart of our offering is LaGaia UNEDITED, a proudly Australian brand devoted to holistic wellbeing and the belief that beauty is nurtured from the inside out.

Blending visible results with indulgent ritual, Payot offers a signature approach that infuses purposeful movements with potent, naturally derived active ingredients.

Each treatment is designed to honour the skin's natural integrity, using advanced bio-technology and bio-affinity to deeply hydrate and impart a radiant, anti-ageing glow.

A scenic view of a coastal landscape. In the foreground, there is dense green foliage and a dark, gnarled tree trunk. In the middle ground, several modern buildings with white walls and blue roofs are visible. In the background, a calm body of water stretches towards a range of rugged, dark mountains under a clear sky. The lighting suggests a warm, golden hour.

OUR SIGNATURE RITUALS

Immerse yourself in a profound sense of place with our Signature Rituals — each thoughtfully crafted to reflect the raw beauty and elemental energy of the wild landscape that surrounds Saffire.

Let your senses drift into deep relaxation with our *Mountain Dreaming Ritual*, a 90 minute journey combining the healing power of native botanicals and the grounding warmth of hot stones carved from the iconic pink granite of The Hazards mountain range.
